2018 Summer Grant Application

Name (Last, First):________________________________________

1. **Summer plans and adviser support:**

   Briefly describe your planned summer activities and their relevance to your degree program.

I have reviewed the applicant’s summer plans (described above), and can confirm they are relevant to the applicant’s degree program, will support the timely completion thereof, and have my full support.

Signature of Applicant’s Dissertation or Head Graduate Adviser               Date

2. **Current and previous summer funding:**

   List all other summer support that you will receive in summer 2018 (include fellowship stipends, salary from GSR/GSI positions and other paid work):

List all summer funding that you have received since the start of your graduate program, totaling that support by summer. As above, include stipends and salary from employment (such as GSR/GSI positions); do not include payments made toward tuition/fees.

**Program Terms:**
The Summer Grant consists of a $3,500 stipend. Grants may not be divided among students. Graduate programs may select grant recipients in accordance with the following guidelines. To be eligible for Summer Grants, students:

- must be academic doctoral students in good academic standing;
- must have been enrolled in the Spring 2018 semester;
- may not receive more than $5,500 in additional summer support from other sources (including both stipends and salary from on and off-campus positions); and
- must not exceed the 2017-18 stipend cap of $34,000.

In addition, preference is given to students who:

- plan to engage in summer activities that advance progress to degree (e.g., language study, preparation for QE, research or dissertation writing).

If a Summer Grant recipient exceeds either of these caps for the 2017-18 year, it is the responsibility of the recipient to notify Graduate Fellowships via email (gradfell@berkeley.edu) for adjustment of the Summer Grant award.

*Please note that Summer Grant recipients are no longer required to enroll in summer course units and Summer Grants will not pay for summer fees.*

The total number of Summer Grant awards is subject to availability of funds. Therefore, meeting the eligibility requirements does not guarantee receipt of an award.

I certify that the information provided on this application is, to the best of my knowledge, true and complete. If I am awarded a 2018 Summer Grant, I agree to abide by the terms outlined above.

Signature: _____________________________ Date: ________________

**Deadline:** Monday, May 2, 2018, at 11:59pm

Please submit completed applications to Heather Iwata, Lead Graduate Advisor
