ECONOMICS 199 APPLICATION

************************************************************************
*************
To enroll in Econ 199, you must meet ALL of the following requirements:

• Minimum overall 2.0 GPA
• Completed a minimum of 60 units (including AP/enrichment units)
• Have a faculty sponsor with an appointment in the Economics Department

************************************************************************

You must meet the requirements stated above before enrolling in Econ 199. Please bring completed application to an economics advisor in 539 Evans Hall. You will be emailed a Course Control Number (CCN) after your GPA has been verified. The deadline to submit this form is the 3rd week of classes in the semester you wish to enroll.

Name: ____________________________ Date: ________________________

Email: ____________________________ SID number: ________________________

Econ 199 can be taken for 1-3 units, and for pass/no pass only. Requirements are the same regardless of how many units you register for. Econ 199 does not count as an elective for Economics majors.

Number of units: ______

Anticipated research topic: ________________________________________________

___________________________________________
Faculty name: ____________________________ Faculty signature: ____________________________

Faculty questions and concerns can be addressed to Khia Serneo at ugrad@econ.berkeley.edu

************************************************************************************

Faculty sponsors may have additional requirements, including weekly meetings or a research paper. It is the student’s responsibility to clarify these requirements with their sponsor.
